safe space policy

---Absolutely no men, only those who have read our “Being male in a feminist bookstore” guide and have submitted a formal request to be let into our store. Any violators will have their photo taken and added to our book of males not allowed. Also if your name is John, ABSOLUTELY no entrance for you, Johna, however, is okay.

----No waving fingers or arms around, it suggests penises and some of us are traumatized by such visuals

----No pet names, do not address people as “sweetie”, “sugar”, “honey”, “ma’am” and the like. We will not tolerate it. Names only. In fact, upon entering our store please fill out our stickie name badges with your name and pronouns

----No yelling or loud talking, Toni can only look at herself in her tea without sound vibrations.

----No children between the ages of 1.5-2.7 and if you’re a Scorpio you must include that in your badge because of the nature of Scorpions to be bitches.

----Please don’t touch the books unless you are going to buy it. No browsing, you should know what book you are trying to get.

----No interruptions during speech. Please allow at least 1 minute between answers to be processed by Candice and Toni, we are very busy women.

----Be aware that sometimes we will kick all men out the store to create a safe space for our books. We import some from Italy and they are very sensitive.
